omul

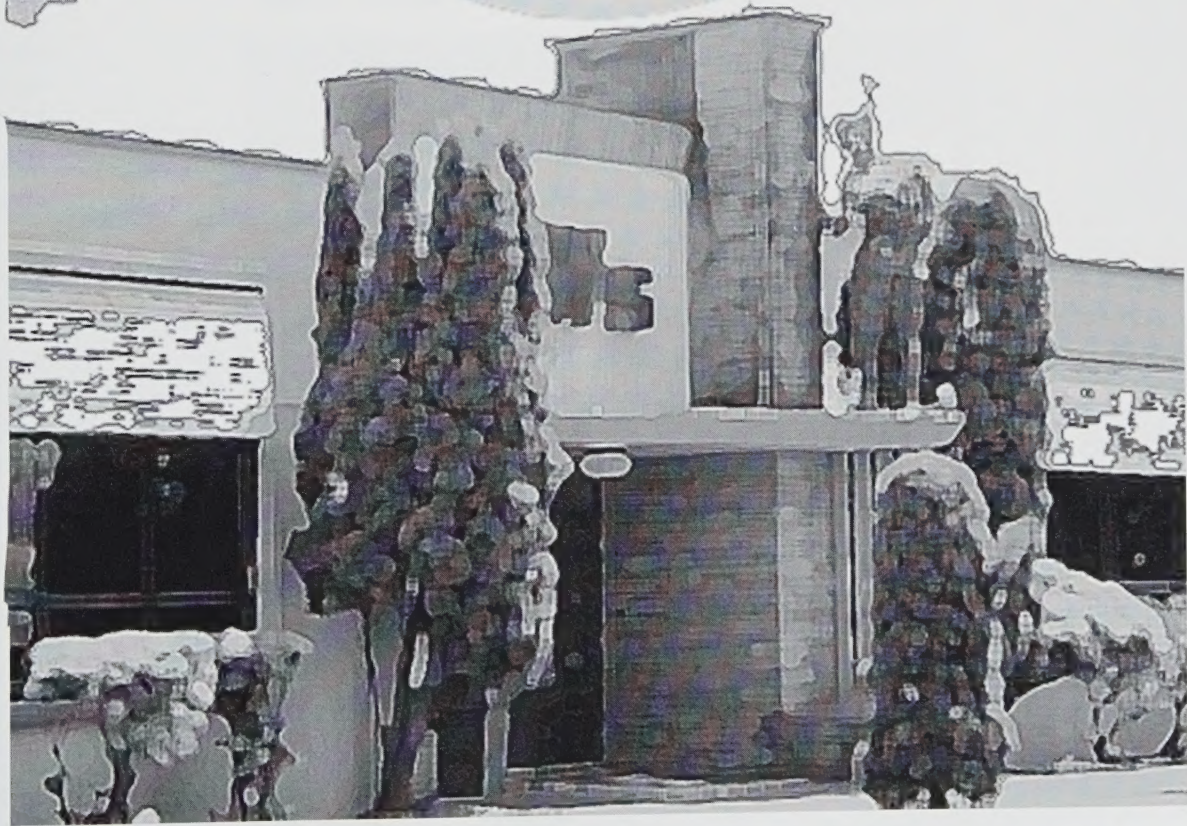

As the years go by we look back to the times that made us smile, laugh, and cry. As we take our first steps into the future we will hold our heads high with our proud parents standing by. Our memories will still carry on. We must remember that every second in life is precious and we must live them to the fullest. Reaching for the stars we will build our castles in the sky. And we will never forget the times that made us smile, laugh, and cry. Poem By: Dulcy Mickelson.

# In Memory Of Misty Dawn Holdiman

It is with great sadness that on Saturday, October 23, we lost a wonderful classmate, Misty Dawn Holdiman. She was the victim of a tragic car accident near Gearheart while headed to work. Misty was a good friend to many and we will always remember her for her strength, determination, and love for everything. Misty will be greatly missed and loved forever by us all. We will never forget you Misty!!

## **"Who am I?"**

I am outgoing, hardworking, fun person.  
I like to sing and have fun with my friends.  
Somethings that are important to me are  
friends, family and education.  
I respect the way I treat people.  
I don't like it when people talk bad  
about family or anyone, but they are  
just expressing the true them.  
I wonder what I'm going to do for a career.  
I worry about my brothers.  
I pretend I'm a goodie two shoes.  
I try to keep my room clean and  
organized.  
I hope I can make it in the entertaining  
business.  
I feel strongly about relationships.  
I say have fun all the time.  
I am me!

## **"Remembering You"**

You gave and recieved more to life  
than most people we know  
and because of this, God said "Misty,  
come home."

Your shortness of a lifetime has now  
become an eternity for you to be  
always happy and forever painfree.

Misty, we miss your smiles, your  
laughter, the way you would help us  
through the times when our hearts  
were shattered.

You helped us through the raging times  
and never let us lose our minds.

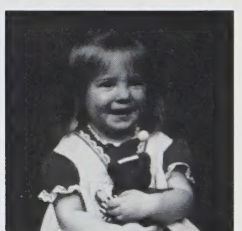

Your happy spirits, your open mind,  
you never let hate be of your kind.

You didn't let anything tear you apart,  
cuz Misty, you had the strongest heart.

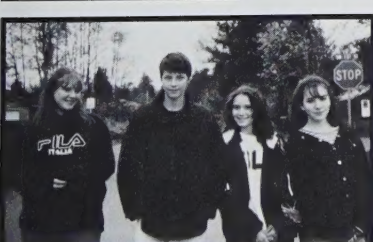

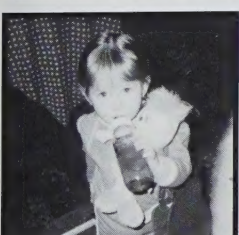

Now we're taking lessons from you, to  
just help us make it through.

We miss you Misty, but we'll see you  
soon, cuz when our day comes, we'll  
be there with you.

What better way to start off Homecoming week than to show up at school wearing pajamas? All throughout the day people sat through class bleary-eyed until it was time for the assembly to begin. There was the usual excitement as names were called for the first Jr. Olympic Game. It turned out to be the orange pass, where four girls and four boys from each class pass an orange down their line going from neck to neck. In first place were the Sophomores, in second were the Seniors, third was the Juniors and in last place were the Freshmen. The princes' names were called and each received an envelope. A few girls sat anxiously waiting to see who the princesses would be. The envelopes were opened, princesses crowned, and the first day of Homecoming ended.

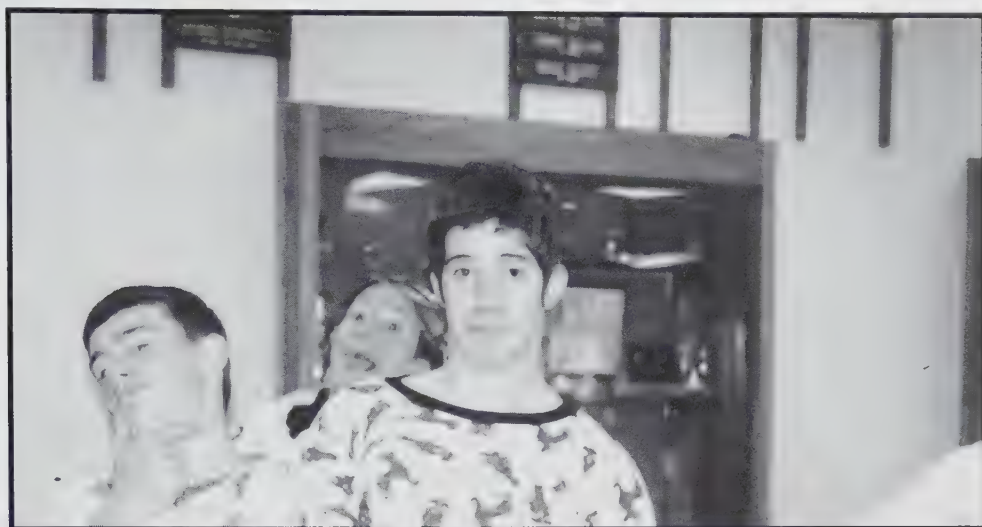

*Women power in the morning,* Amber Shrode shows her stuff during passing period.

**Do you really wear that to bed?** Jeremiah Scott swears that he did just for wake up and walk day.

**Firetrucks and Scooby Doo**, Juniors Blair Manke and George Arnall sport their stylin' pajamas that they bought in the little boy's section at Freddy's.

Some people went all out and covered themselves in layers of their class color, others just wore a sweatshirt with their class' color on it. The assembly kicked off with a pillow fight. The Seniors won first, Freshmen second, Juniors third, and Sophomores fourth. There was also a tug-of-war with the Seniors first, Juniors second, Sophomores third, and Freshmen last.

**A belly covered with spirit.** Jared Hudson flashes a message to all.

## Costume Day

A new event for this year's 1999 Homecoming week was costume day. This fun and exciting day came on the 28th of October. The winners of costume day were the seniors. For the boy it was Adam Bobek as the Jolly Green Giant and for the girl it was Melissa Weaver, Jessica Johnson and Priscilla Russell as clowns in their clown car.

The Junior Olympic games that were played were dizzy bat basketball and the guy/girl wheel barrow race. There was a tremendous confusion over the rules of dizzy bat basketball and in the wheel barrow race everyone was disqualified, except the juniors, for not going all the way to the baseline. The lip sync also took place on this day. The Seniors were 1st place with "Seaside Rendezvous", the Sophomores were 2nd place with "I Want Candy", and the Freshmen came in 3rd place.

**Singing to his love** (Stacey Johnson) is Aaron Marshall during the Class Lip Sync.

**G vs. E.** Lisa Leavitt, The Good Witch of the North and Jinna Marck, Queen Malificent from Sleeping Beauty, settle their differences.

**Disco style, baby!!!** Josh Hallaway, as a disco dancer, takes a time out from all the cheering and excitement to pose for the camera and to show us that you can never be too old to dress up for Halloween.

**Dizzy Bat Basketball!** Spin around 10 times, run full court, while falling down in the process, and shoot a hoop. Dione Neahring did a great job of doing just that.

**Cheering thier hearts out** for their classmates and enjoying one of the many Homecoming activities is Seniors Dru Mickelson as a fairy, foreign exchange student Marie Fondaire as a mouse, and Marah Unaway as a southern bell.

**Excited and showing their class spirit** is Matthew Simonsen as a skeleton, Amber Shrode as a clown, Nawang Geleg as a professional NBA player, and Anthony Danzel as..... a 1980's break dancer.

# Purple and White

**Freshmen spirit,** Mitchell Simonsen and Meredith Claterbos show Freshmen really do know what's going on.

**Painting it up,** Vicki Cox and Chad Hartley take time out of class to paint each other's faces.

**Squeeze in tight,** Deegem Bernal and Laura McKinnon get close and smile for the camera.

**Boogie on Down,** Juniors Vicki Cox and Blair Manke show off their school pride for purple and white day.

" Nerves are wearing thin. Even Chief is getting upset over a measley sucker."

- Peggy Boisvert

" I didn't dress up because I own nothing purple."

- Jesse Pierson

" The Seniors have been here long enough they should have all been able to participate."

- Dionne Neahring

**Strike a pose,** (to the left) Tara Smith takes time out of one of her classes. I hope her teacher doesn't mind.

**Smile pretty,** Sonnie Sjostrom makes the perfect cheerleader with the ear to ear smile and perky attitude.

**Purple and white pride,** Mike Konidakis and Amber Corbin represent the Sophomore class in the dress up competition.

Purple and White Day traditionally concludes Homecoming Week at Warrenton High School. It is a day of school spirit and fun. The cheerleaders perform a dance and try to teach the football players a cheer, students and staff alike laugh supportively. The football players wear their home jerseys in preparation for the game, while many girls wear the guys' away jerseys in order to show support and school spirit.

This year many events were missed, including the bonfire which is usually on Thursday night after the volleyball game. Many Junior Olympics games also had to be omitted because of time limits.

The winner of the week is announced at the game as well as the Homecoming Queen. This year we decided to break one tradition and announce the Homecoming King at the dance. Many Seniors were disappointed to hear that the Sophomores won homecoming week. All students were disappointed that the week was over so soon but the teachers were ready to get back to regular bell schedules.

Warrenton Warriors vs. Neah-Kah-Nie Pirates

*A picture is worth a thousand words,* Adam Bobek, Richelle Garcia, Troy Palmrose and Priscilla Russell, share a few faces.

*Waiting for their turns,* Some of the Warrior team wait anxiously on the sidelines.

## The Inside Scoop...

An entire week of fun and games came to an end on October 29th when the Warriors hosted the Neah-Kah-Nie Pirates. Thanks to some very dedicated people and the Warrenton Booster Club, the new press booth was put up on to it's poles on Friday.

At the end of the first half the scoreboard read 6-16. The Senior athletes were acknowledged along with their parents. The Sophomores won Homecoming Week making the entire crowd go wild. Everyone had a fun time.

The Homecoming Princesses were accompanied to the field in new Ford Explorers along with their escorts. Each of the Senior Princesses were given black boxes filled with balloons. The one with the Purple and White balloons would determine who the 1999 Homecoming Queen would be. This year's queen was Britta Blair.

*Having a little too much fun,* Jon Hart and Suzi Scroup spend an extra minute in the cold for a picture. Who's going to be using the blanket?

# THE HOMECOMING DANCE

The 1999 Homecoming dance was held the night before Halloween, so the appropriate theme was chosen. The gym was given a haunted house effect. A haunted house sat on one side of the dance floor with a cemetery beside it, spider webs covered the ceiling and a giant spider sat hovering above the dance floor. Unlike recent years the Homecoming king was announced during the dance instead of the night before at the football game. The students danced, pictures were taken and like all the years before, everyone had a great time.

The 1999 Warrenton Warriors volleyball team started the year with a shaky start. By the end of the season the girls were rockin' the court. On Homecoming night, the girls were hyped up, and ready to win. The match went for 3 games, the Warriors winning first and then the Bluejays. It came down to a final game and it was very close. Emotions were running high, and when the Warriors won, the whole crowd surged onto the court in triumph.

The girls are awesome! They have done genuinely well all season. There have been ups and downs, but every team has those. I love all of you guys.

Our league was a tough league this year. We all played strong games and won when we probably shouldn't have.

*"The football program has gone through a growing season, made up predominantly of Sophomores and Freshmen. The team made steady and great improvement throughout the year. The limited number of upperclassmen played well and demonstrated great leadership for the developing younger players. The 1999 season has been a strong building block for the return of the northwest league championship to Warrenton High School in upcoming campaigns."*

# Cheerful Memories

Hard work and dedication is what being a part of spirit squad is all about. Friendships were made by each and every one of the girls. When the laughter, work, and practices all come to an end, only the memories will be left. We hope to see everyone next year, but we must say "goodbye" to seniors. Their hard work played an important role for the team. We hope that their fun won't be forgotten, but another brilliant memory to add to the many.

# All about the 2000 hype!

**2000 Warrenton High Dance Team**

***With Hollywood smiles***

Jennifer Christman and Elisa Tusing pull the audience in with their jazzy moves.

***With the help of the dance team,*** the grade school girls perform like naturals (From left to right: Jennifer Christman, Briita Blair, Elisa Tusing).

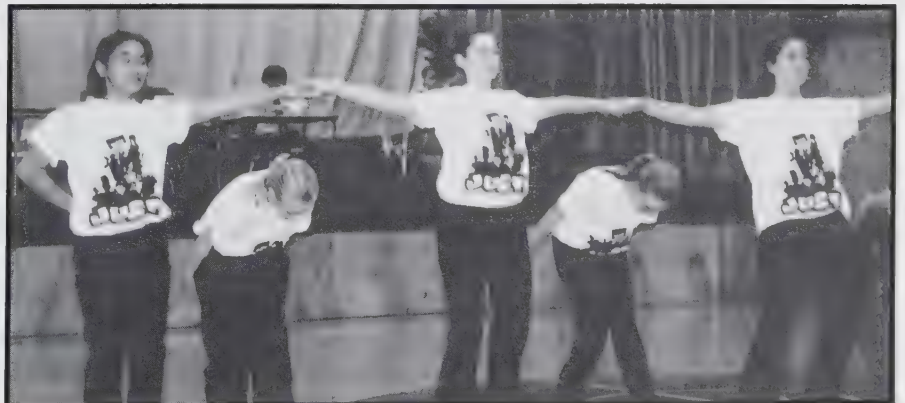

***Taking a break*** Sarah Morgan and Jennifer Christman sit side-by-side in relaxation.

***Shakin' her thang,*** Tenzin Tsering shows the crowd how to really dance.

Warrenton's 2000 Varsity Dance Team was great at getting the crowds hyped up during half time at the boys and girls basketball games. They were dedicated to learning and creating new dances. Though the team was experienced, and were well developed in rhythm and unity, they maintained in the face of more challenging and less challenging experiences. Through patience, diligence, and hard work the varsity dance team created memories for all. In the eyes of the much appreciative Warrenton fans, the team was a big success.

***The fans go wild*** as the girls end their piece with style (left to right: Tenzin Tsering, Jennifer Christman, and Briita Blair).

# Shooting 2000 Hoops

**She shoots, she scores!!** Rebecca Bradsher lets the ball fly and makes another 2 points for the Warriors.

**Friends forever,** Seniors Nikki Haupt and Dionne Neahrng hold their flowers they recieved at the basketball game as they pose together for a picture.

The 1999-2000 Warrenton High school girls basketball team had a extremely good year. They had only 5 losses during the season. The team had many girls get injured this season. Eventually there was only 12 players left on the JV and the Varsity teams together. The girls made it to districts, and played up at Concordia University. They won their first game, and had a loss the second game. But they tried and gave it their best. Even though they had some problems, they pulled together and had a wonderful season, full of laughter and memories.

**Coordination takes skills...** Jennifer Sisley runs forward whiles she watches the ball behind her.

**Taking a break from the game,** Nikki Haupt, Becca Greenway, Meredith Claterbos, and Dionne Neahrng catch their breath as they wait to play again.

## *Taking the memories to the mat.*

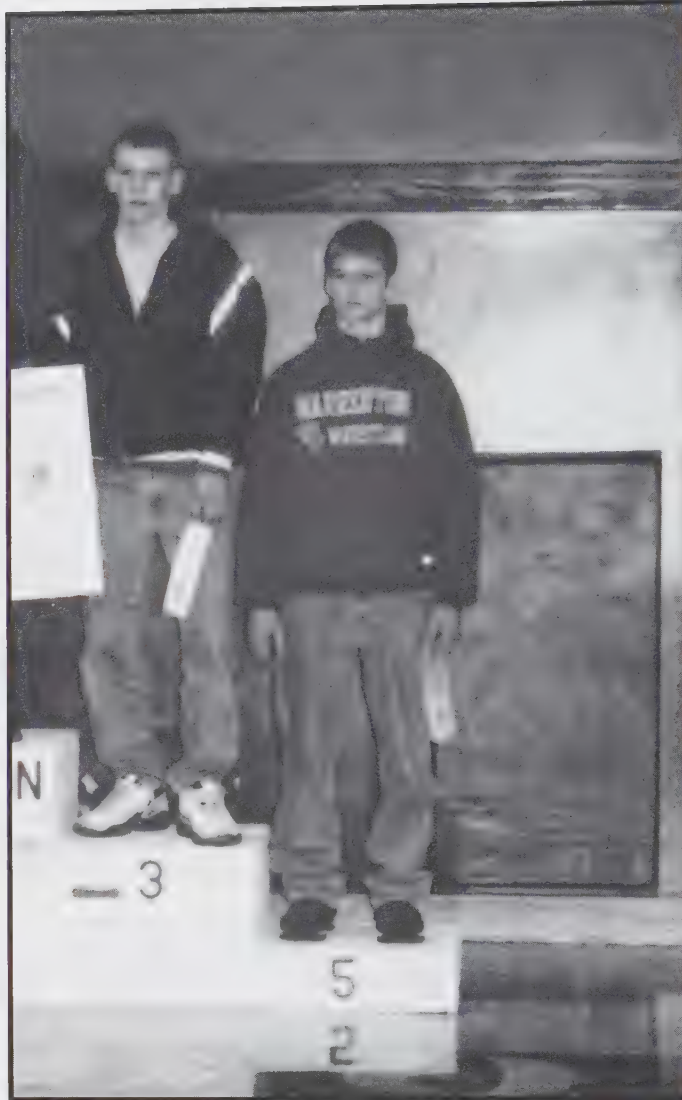

This year's wrestling team has mostly Freshmen and Sophomores, but most of them have been wrestling Kid's Club for several. Mr. Warren was pleased with the way they performed throughout the season. Most of them were very dedicated.

They traveled to LaGrande early in the season and took first in the small schools division, with four placing in the top four. Jeff Pike and Mike Brim both took third. Rick Walter and Ryan Anderson took fourth.

The Warriors participated in a four or five team dual meet on January 28 in Dayton. After losing their first couple matches, they came back to beat Dayton, who is ranked fifth in the state among 2A dual meet teams. Congratulations guys.

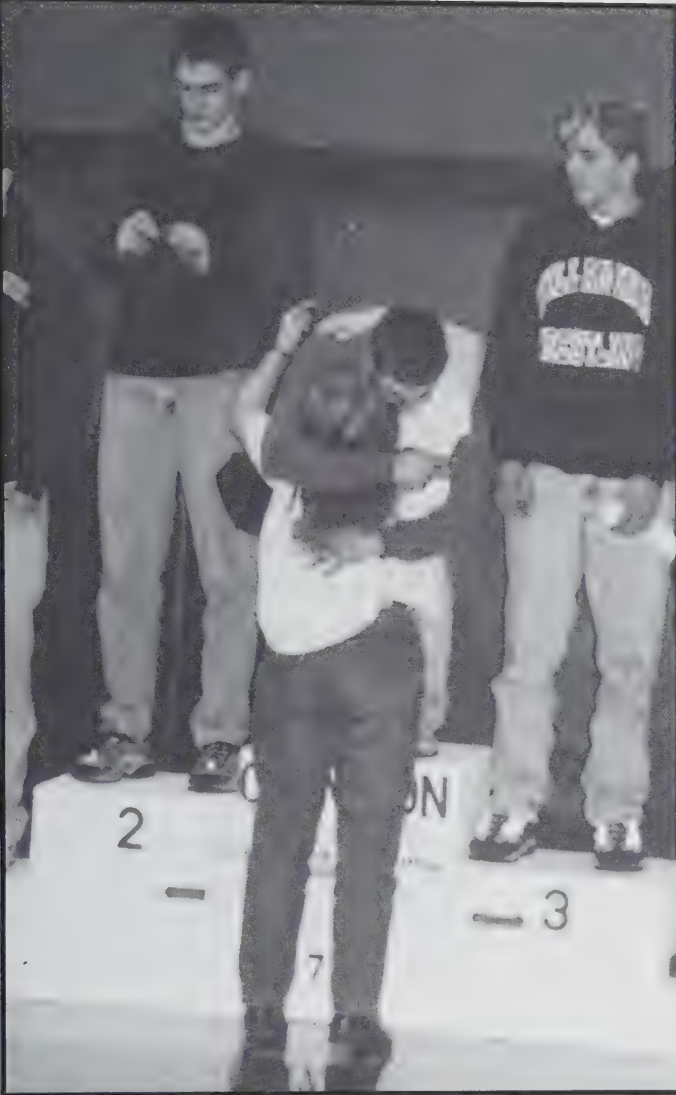

Going into the district meet Warrenton had seven wrestlers ranked in the state polls. Kyle Johnson was 15th at 145, Isaac Anderson 13th at 160, Ryan Anderson 13th at 130, Mike Brim 11th at 215, Blair Manke 9th at 119, Rick Walter 5th at 125, and Jeff Pike 1st at 171.

The Warriors placed 13th at the state tournament and had all three wrestlers placed. Rick Walter took 5th at 125. Isaac Anderson was 4th at 189. And Jeff Pike was 3rd at 171.

**Fighting for the win:** Rick Walter throws an arm bar on an opponent from Baker City during his match at LaGrande.

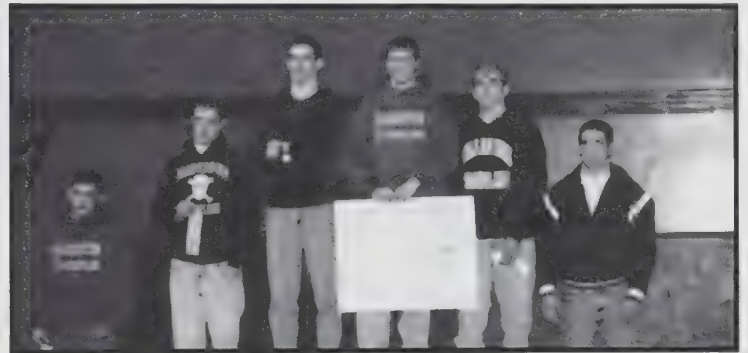

***I Love You Mom:*** After becoming district champion Jeff Pike gives his mom a hug while he is presented with his medal.

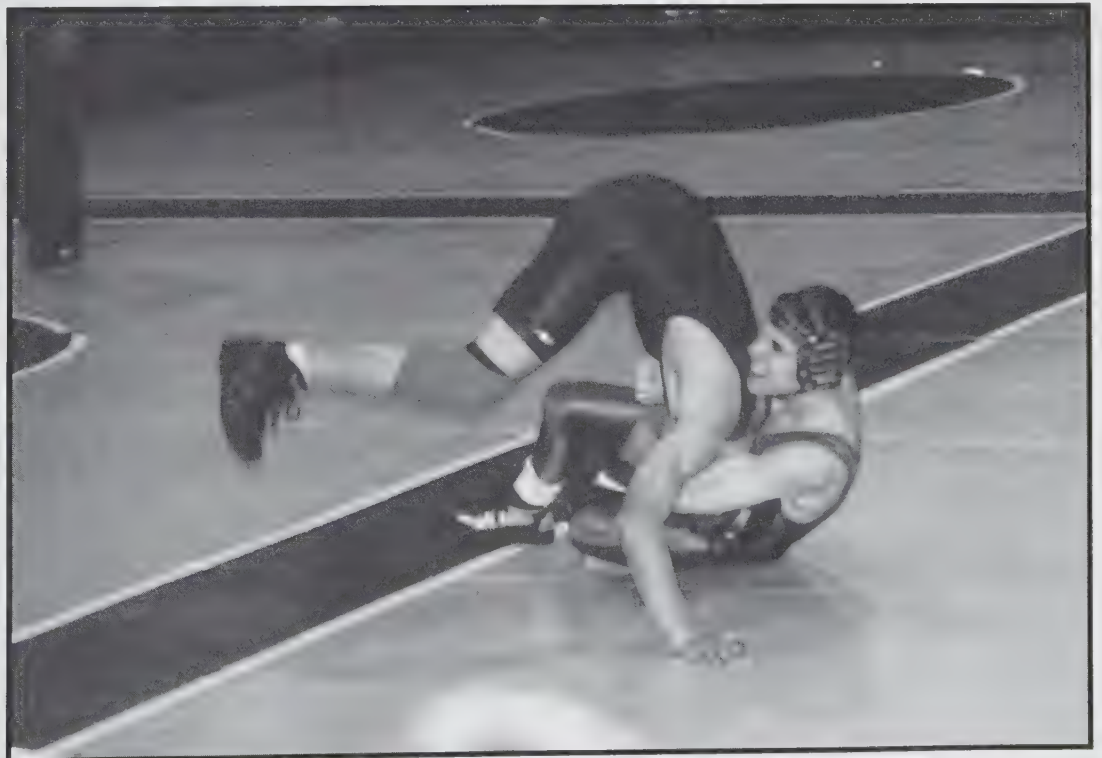

***Feeling good at third:*** Placing third at district in the 215 pound weight class is Mike Brim.

***Bringing up the team points:*** Warrenton had two placers in the 171 pound weight class. Jeff Pike took first and Jon Hart took sixth.

Tough defense was the key this year for the Warrenton boys. They were ranked 1st in defense at the beginning of the season. Nick Ryan and Chad Fastelin kept things intense at the top of the key.

# BASKETBALL

# Memories of

**Watching one of their team mates up to bat,** Tyler Birman and Cayben Marshall concentrate on what is happening.

It was a good season for the Warrenton Warriors baseball team. They ended the year with a 24-4 record. The varsity team made it to the state playoffs this year after finishing first in the Northwest league. The Warriors defeated the Nyssa Bulldogs in the first round of the state playoffs, with a score of 10-1. We ended up losing in the next round against the Glendale Pirates. It was an upsetting loss. Jarrod Thebiay threw a great game, only giving up 6 hits, but offensively we could not produce any runs.

"2000 was an outstanding season for us. We won the Northwest league title for the fourth straight year, made our ninth consecutive trip to state, and had the 2A player of the year. We'll miss our seniors, but with 7 returning starters and other lettermen, 2001 looks very promising."

Coach Wolfe.

**Thinking very hard** Kyle Johnson sits on the bench preparing for the next inning in the field.

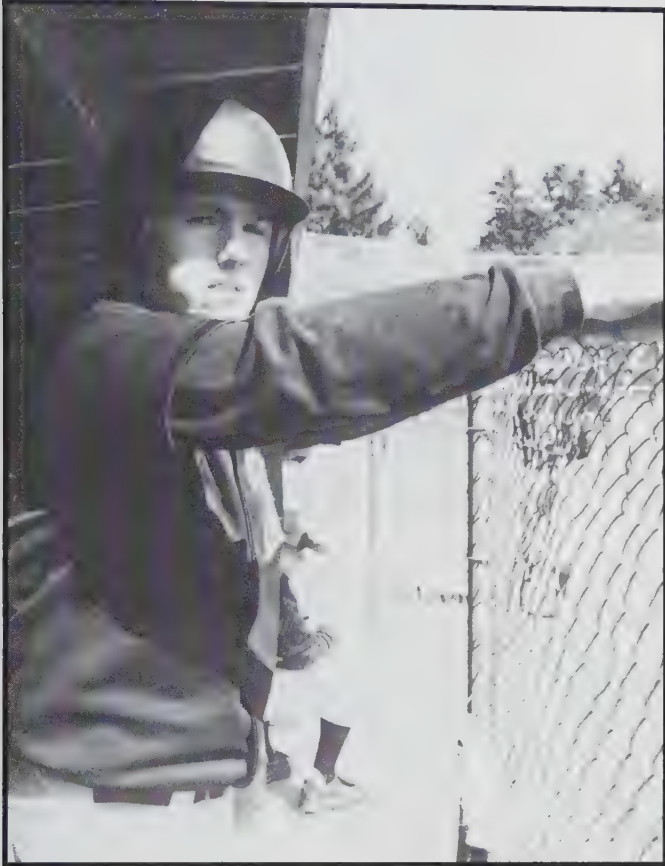

**2A All State Player Of The Year,** Brian Bruney poses for the camera (or is it a radar gun?) after being fined for not shaving.

# Victories

*Leaning up against the fence* preparing to bat is Adam Elliott.

*Preparing for his chance to go in to the game* and practicing on his bubble blowing techniques is Mike Brinn.

*Sliding back in to the base safe,* is Adam Neahring in the district playoff against Corbet.

*At the plate,* Brian Bruney swings and connects for an opposite field base hit against Corbett in the district championship game. Warrenton was victorious with a final score of 7-2.

*"It was a great year. The kids were constantly improving their marks and thier times. They would always help each other out. Being supportive and an overall young team there is a lot to look forward to in the next few years."*

*-Sara Oien*

**Excited,** Coach Jason Theil and assistant coach Sara Oien get together to show off their team track shirts.

**Jumping his way to state** Ronald Diego flies through the air in the long jump event.

## **First place in state in the 4x100 relay**

Cameron Davis, Jonathan Villareal, Andy Wintersteen, and Ronald Diego.

# You Can Do it!

## **The fat man relay team.**

From left to right is Adam Bobek, Leland Billings, Joshua Hollaway, and Tony Coulombe all taking some time to relax before the relay begins at the track meet held in Neah-Kah-Nie. They took first place in the fat man relay.

# TRACK & FIELD

**Peek-a-boo!** The turtle has come out of its shell. Meredith Flynn smiles as she pops her head out of her shirt at a rainy home track meet.

**Perfect form.** Patrick Moore practices throwing the javelin before he competes.

**On your mark, get set, go!** Becky Bobek gets a good start in the 100 meter.

**Trying to keep dry** Amber Shrode stands under her umbrella and gives the camera a quick smile while watching the meet the team held among themselves during practice.

**Smiling proudly** some of the state qualifiers relax and enjoy the company of their fans before their next event.

**Showing off his bod** Cameron Davis teaches us that a little rain doesn't hurt, especially if you got the spirit to back it up.

**Run, Forest, Run!** Peggy Boisvert runs the 1500 and places 1st at a home meet.

# Hitting 2000 Home Runs

What a year this was for the softball team! The girls did extremely well throughout the season. The rain often kept the girls from playing home games. Whether they were home or away, the result was almost always the same, another win for the Warriors. The girls went into the season with determination and goals and they came out with a third place spot in the league. This is the last year for players Dionne Neahring, Nikki Haupt, Ally Gramson, and Stacey Johnson. They have been a valuable part of the team, and will be greatly missed.

*Crouched and Ready*, Shaena Stabler waits calmly to catch the ball.

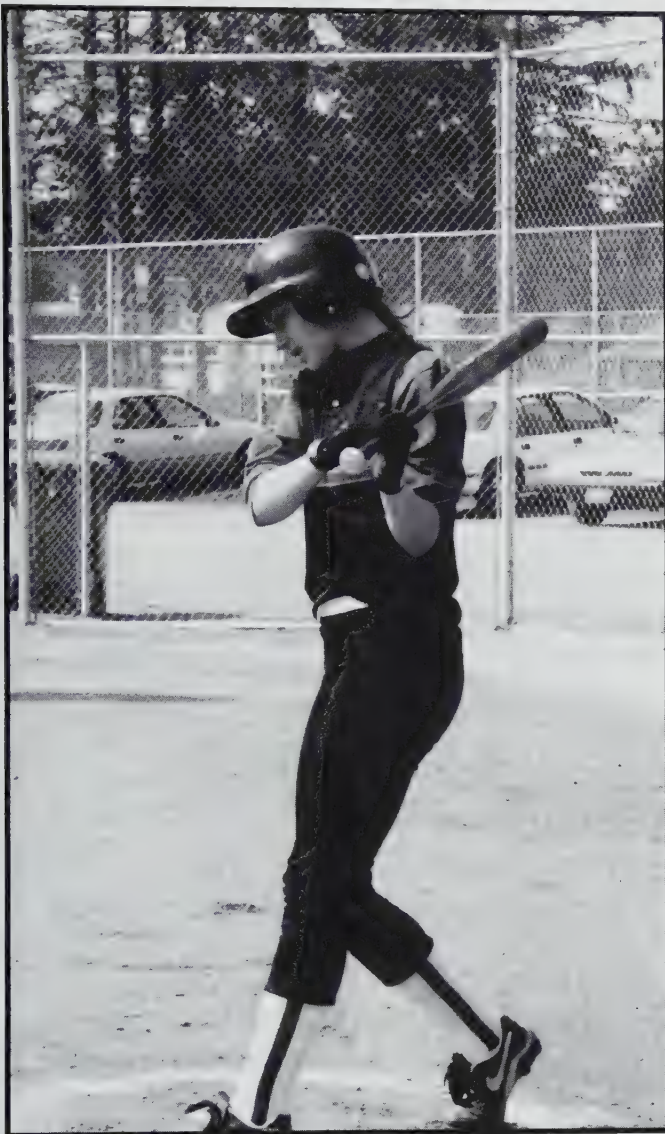

*Cheerin' for the team*, Dee Dee Arnall, Stacey Johnson, and Jennifer Sisley dance and prance around.

*Reaching down*, Ally Gramson grabs for the ball.

*Taking a few warm-up swings, Nikki Haupt gets ready to hit another ball way over the other teams heads.*

*Throwin' a fast one, Lindsey Forney fires the ball back to home plate.*

# 2000 Par Putts

**What a talented team,** Pictured below is Warrenton's 2000 golf team. The team was full of diverse swings and had a lot of charisma. This year the team had four 2nd place finishes and three 3rd place finishes, not bad for a team that had an incomplete roster last year.

There was quite a turn-out for golf this year. The season was a good one. There were a total of twelve individuals who went out for the sport. They were Schaid Shaw, Greg Hitchman, Brandon Wilson, Beau Cederberg, Shawn Earls, Nick Smith, Matt Tikkala, Chad Fastelin, Brad Reef, Nick Ryan, Blair Manke, and Becca Greenway. The golf team was coached by golfers themselves, Jon Ogren and Gary Nevvan. Great year! Good luck next year!

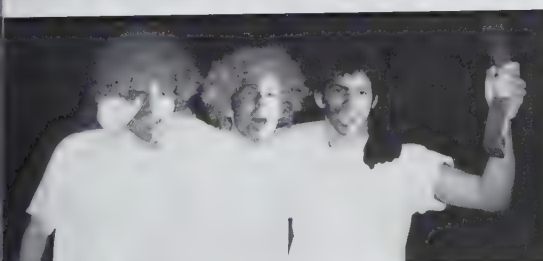

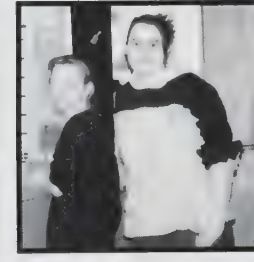

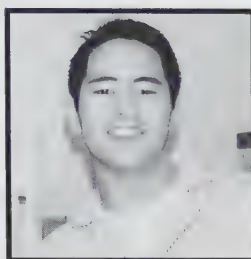

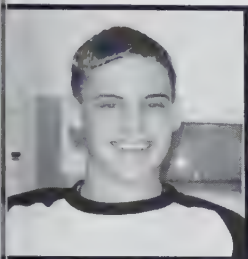

**Hitting a chip shot,** Brad Reef was a first-time golfer this year, he didn't do too bad being he had only swung his first club 2 months prior to the first practice.

**What a natural,** this was Beau Cederberg's first year of high school golf but certainly not his first year. Beau has been playing golf ever since he was eight years of age. In his first year Beau was named to first team all league.

**Stand back!** Dee Dee Arnall backs up as Sharnelle Csee shows off a red-tailed hawk that she is caring for.

**Working hard,** Peggy Boisvert and Vicki Cox hurry to paint sheets of metal before the rain comes. They didn't quite make it, but they found things to do inside.

**Just clowning around,** Shaena Stabler and Peggy Boisvert take a break from painting and almost cause a paint fight in the process.

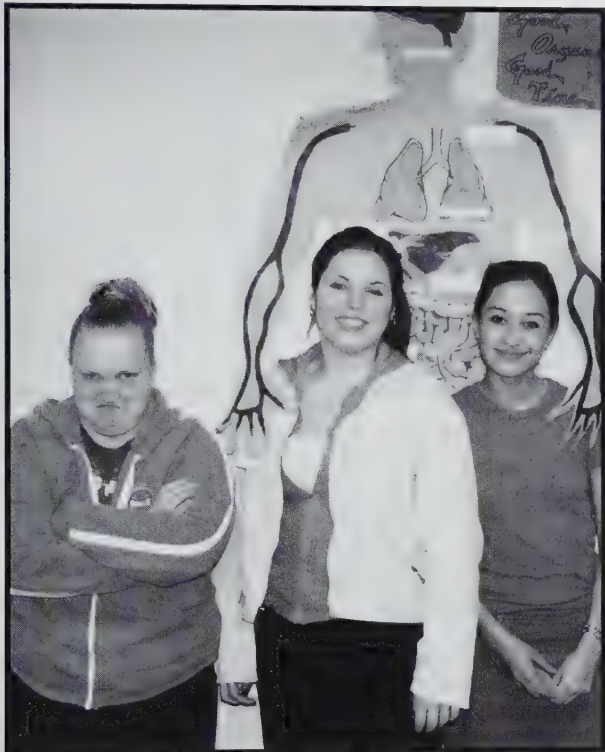

**Kicking off the ceremony,** President Vicki Cox begins the ceremony while Peggy Boisvert, Sarah Knippa, Julie Fitzpatrick, Dionne Neahrng, and Nikki Haupt look on.

On January 17th an assembly was held to induct eight new members to the National Honor Society. The new members were Jesse Allgeyer, Elizabeth Arnall, Vicki Blodgett, Becky Bobek, Ally Gramson, Adam Neahrng, Nick Ryan, and Shaena Stabler. Every year N.H.S. does some type of community service project. This year they decided to do a couple of different projects. They served meals to the elderly at the Senior Center. They also went to the Wildlife Rehabilitation Center to help in its construction by painting. After taking a tour of the grounds and talking to Sharnelle Csee who runs the rehab center, they decided to go out a couple of times a month to build a flight cage for recovering birds.

# Sticking To Student League...

***Pouting away,*** Marah Gannaway, Treasurer, Heidi Terese, Vice President, and Jamie Ellerbroek, President hang out in front of the human body.

This years Student League was lead by Jeanie Hart as usual, and the students elected Jamie Ellerbroek as the President, Heidi Terese as Vice President, Wendy Bue as Secretary, Marah Gannaway as Treasurer, and Xabielle Velez as Sgt. at Arms. The students in Student League all put together three different fundraisers and the biggest of which is the Sadie Hawkins dance. The money that is made goes to different things such as grad night goodies and pop machines. There is usually about 40-60 students that attend anually. Sadies theme this year was Friday Night Fever and the students made it possible by decorating and deciding on the theme and all of the different things needed to provide a dance. Thank you Student League.

***Embracing her bud,*** Xabielle Velez, the Sgt. at Arms hugs her buddy Troy Palmrose.

***Friday night fever shines through,*** as Jinna Marek and Deegem Bernal enjoy the dance that Student League so graciously put together.

***Smiling like they always do,*** Wendy Bue, Heidi Terese, Marah Gannaway, and Jamie Ellerbroek hang out in the halls and show off their darling grins.

*Mastering the art of music, Andy Holland plays his tuba.*

*Playing the flute and saxophone, are Jackie McKnight and Angela Dowell.*

*Giving their best performance at the concert are Danny Kreiger, Cameron Davis, Sam Wentz, Adam Simmons, and Nick Ryan.*

# Your Notes

## CHOIR

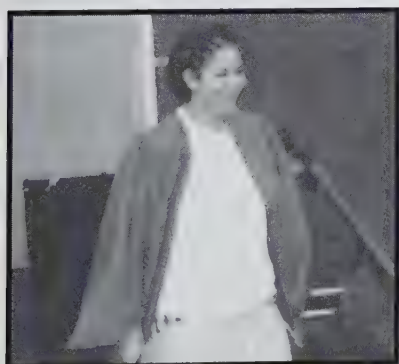

*The Warrenton High School Choir and Mr. Ogren* dedicate the fall program and all other choir events in the '99-'00 year in memory of Misty Dawn Holdiman because of her love for music. They sing "Remember" with sad hearts, but they try to smile and make it through the song without too many tears.

*The choir sings "Jubilate",* not their favorite song, but they do a good job anyways.

*Giving another one of his speeches,* Mr. Ogren tells the audience how hard the choir works and how wonderful they are. He is very proud of them.

*Hurry up and get dressed!* Xabie Velez rushes to go on stage.

*How cute!* Cathy Schultz puts her arm around Brandon Wilson for a quick picture before the concert.

*One...two...three...* learning how to count, Hillary Bugaran shows off what she's learned.

***The stars behind the stage,*** Dee Dee Arnall (middle) and Andy Holland (right) worked hard throughout the play, and were joined by Nikki Haupt (left) on production night.

***Here comes the big kissing scene...*** Jeremiah Scott and Elisa Tussing show their acting skills...or is it really acting?

The big drama production was performed May 24 through May 26. It was directed by Mr. Hackwith. The students in both the plays had been working on their lines since the beginning of the second semester. I'm A Fool was a short play before Arsenic and Old Lace, which was set in the 1920's at a Hollywood horse race. Arsenic and Old Lace featured a couple of old aunts (played by Richelle Garcia and Priscilla Russell) who murder old lonely men. The two plays combined made for excellent entertainment. The sets were awesome, and the performance was an overall success.

***It's their moment to shine,*** and Synnove Glarum and Jeremiah Scott are sure taking advantage of it!

***Hey, you over there!!!*** Who could Jared Hudson possibly be pointing at?

**Did the old women hurt you?** Andrew Dyer played Jonathan Brewster in *Arsenic and Old Lace*.

# Dramatic Memories

**Bring on the men!** Richelle Garcia and Priscilla Russell think up another scheme to take the life of a lonely old man.

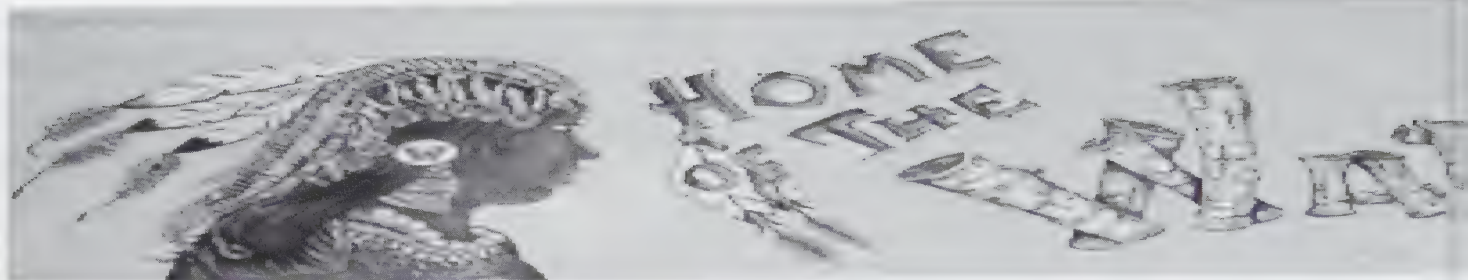

**The last play of his high school career...** Jesse Allgeyer played Dr. Einstein in *Arsenic and Old Lace*.

**Hello? Hello?!?** Jeremiah Scott does a wonderful job as Mortimer Brewster...maybe too good of a job?

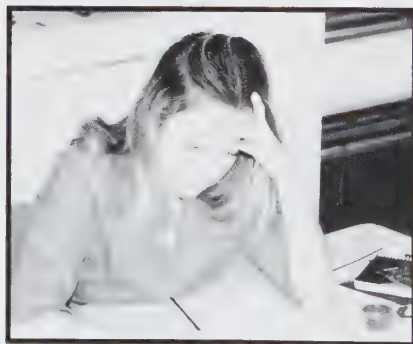

# F O R

Art is a class where immense detail and unimaginable creativity come into play. From soft paint strokes to aggressive pounding of the clay, art is never a dull moment. Art features many different aspects including clay, painting, sketching, and much more. Mr. Ewald keeps the class interesting and is always ready to help out his "troops." Art is fun and always an unpredictable class.

*Hard at work,* Desiree' Bergerson and Schaid Shaw take a minute out to smile for the camera.

*Deep in thought,* Sonnie Sjostrom thinks about her next delicate stroke.

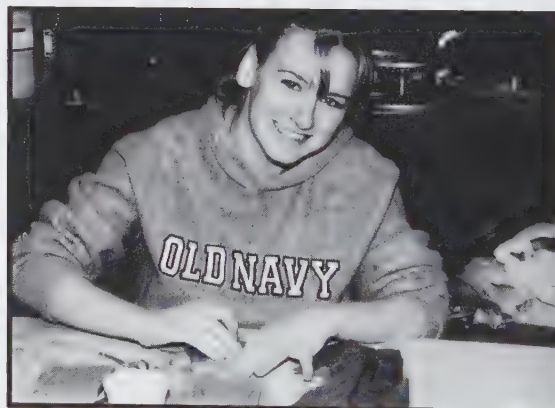

*Is that a self-portrait?* This mural was painted by Priscilla Russel.

*"Dragons and Friends,"* Sarah Morgan takes a short break from painting to smile for the camera.

*The artist himself,* Mr. Ewald takes time out of his busy schedule to pose in front of his mural.

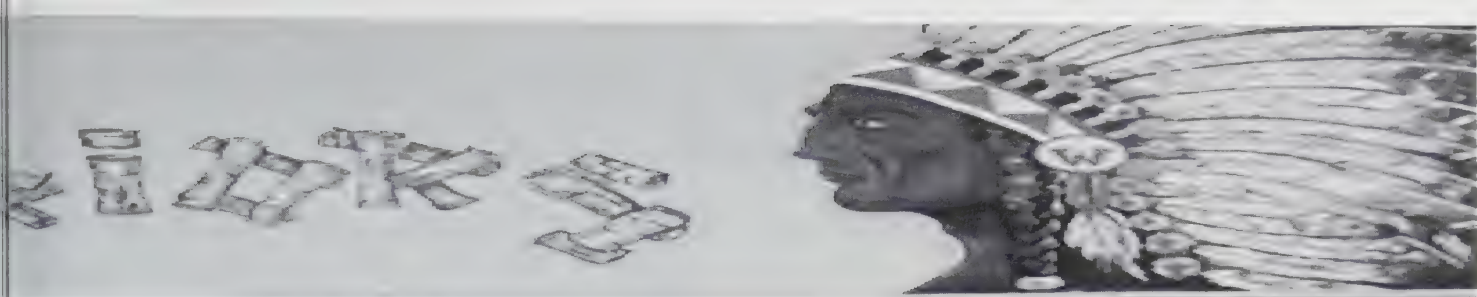

*Looks can be decieving,* Christi Burton seems to be having a good time, but working with clay slip isn't exactly the cleanest and most fun job, yet she hides her remorse so well.

*Confused as to what his next move is,* Cory Wills takes a break while Cayben Marshall works behind him.

# ARTISTRY

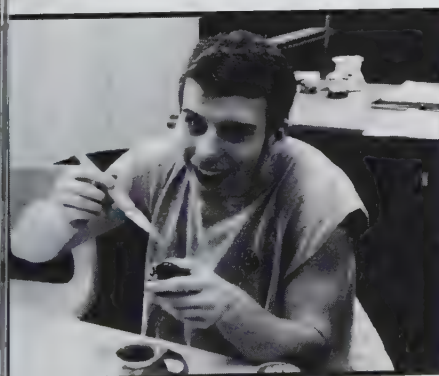

*Smiling with pride*, Meredith Flynn holds up her mug, showing off that she really is "Bob."

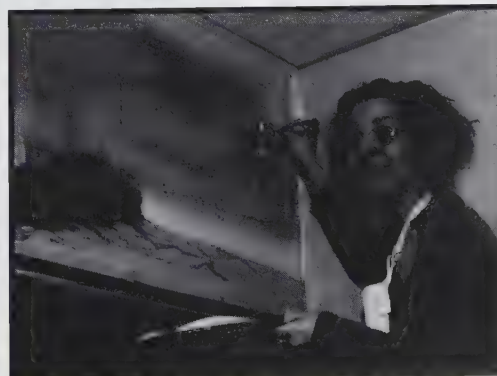

*Working on her medieval shield*, Erin Holt looks up to share her masterpiece.

*Like, which one is supposed to be Beavis?*  
Kevin Ames and Nathen Baldwin work on their 3-D Charlie Brown project.

*With a reassuringly goofy look*, Cameron Davis seems to be having fun with his clay pot.

*The next great muralist of our new century*, Priscilla Russell works on one of the two new exquisite murals out in the hall.

*Satisfied with his work*, Josh Hollaway holds his football mug high, as Rick Walter is still in the process of molding his.

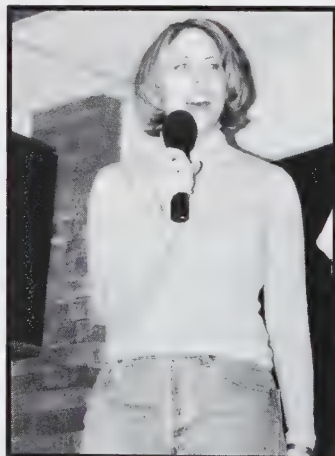

# Holding A Tune

The Drama class held Karaoke Night again this year, and what a night it was! No one would get up to sing, so Mrs. Gach braved the stage first. After that ice breaker everyone wanted to sing. The night went seemingly fast as many songs were played. Many people sang, and everyone had a good time!

**Hey, who's the new boy band?** Wait, its just Kyle Johnson, Adam Elliot, Mike Edwards, Mike Konidakas and Ryan Anderson singing to 98 Degrees.

**Wild Wild West...** Jennifer Sisley dances the night away!

**Look out Madonna!!** Here comes Sara Oien singing the song "Vogue". She was signed up by students and reluctantly got up to sing.

**The next country diva's,** Alison Walter, Dara Sutton, and Becky Bobek croon to Faith Hill's "Wild One".

**Look at the expression on his face...** Jesse Allgeyer looks on as Jeremiah Scott uses not only his singing skills, but his acting skills.

**Hey girls, he can be all yours!** Marah Gannaway, Briita Blair, Nikki Haupt and Dionne Neahr sing "My Guy".

# Talented Memories

*Singing songs from the play cats,* is the Warrenton High School choir.

*Dancing for us at the talent show,* is the girls softball team. They got down to N' Sync's "Bye Bye Bye"

*Buzz Theory*, performed at the talent show. singing for the band is Jesse Allgeyer.

*Singing with lots of feeling,* is Synnove Glarum. She sang the beautiful song "All of Me".

*I got the sun in the morning!* A great song that performed well by Brandi Gittens, Sara McMakin, and Marah Gannaway.

*Performing a wonderful solo,* was Jennifer Sisley. She sang the song "Reflections" by Christina Aguilera.

# Friday Night Fever 2000

*Catchin' the fever*, Josh Dunn and Dru Mickelson keep it rockin with their awesome dance moves.

Bye bye Lil' Abner and Miss Daisy May! WHS caught the fever, the Friday Night Disco Fever! A night where the tables are turned into a time where funky dance is strong and the groovy chica's get a chance to ask their boogie down babes to accompany them in a night of dance and 70's fun. Disco Johnny and Disco Jenny were Sophomores Mikey Konidakis and Amy Collins. The night was full of marriages and memories, and it was a night to remember!!!!

*Gettin' hitched*, Marah Gannaway and her "husband" Anthony Danzl look on as their marriage certificate gets signed.

*Proudly displaying their marriage license*, Sheana Jaquez and Tyler McGrorty take a break from dancing to celebrate.

*Holding each other close*, Adam Elliot and Jennifer Sisley dance as the night goes on.

***Do this boy's plans include taking over for John Travolta?*** Blair Manke shows off his funky moves for the camera.

***Dancing to the beat of the music,*** is Meredith Claterbos and her pick of the night, Josh Hollaway.

***Play that funky music white boys. . .*** Dan Gates, Jared Warner, and Andy Horn show off their dance moves.

***Taking a break from the music,*** Jeremiah Scott, Eric Reinoso, and Jesse Allgeyer show off their 70's style.

*Feeling woozy*, Shaena Jaquez and Stacey Johnson recover after giving blood.

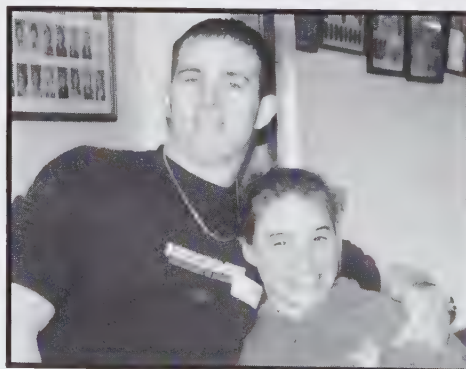

In addition to being Valentine's Day, February 14th was also the day of the annual blood drive. 38 brave people gave blood, and 25 of them were first time donors. Many students were also "blood drops", meaning they got to dress up and try to persuade passing motorists and other students to come give blood. There were many people who spent hours preparing, and they helped make the blood drive a success. Thanks to everyone who contributed!

*Looking a little panicked*, Alison Flynn waits to give blood. Not having second thoughts are you Al?

*Smiling the whole time*, Stacey Johnson doesn't seem to mind the needle in her arm.

This year the Quiz Bowl teams were fairly evenly matched. The winners of the Quiz Bowl were the Seniors. Surprisingly the Freshman took 2nd place in the matches. Juniors took 3rd, and Sophomores took 4th. The combined team that was chosen for the league tournament in Neah-Kah-Nie was Jeremiah Scott, Peggy Boisvert, Jesse Allgeyer, George Arnall, DeeDee Arnall, and Rachel O'Brien. They came in 2nd place, beaten only by Knappa.

# 2000 Hours in Alt. Ed.

This last year, our alternative school has been moved and is actually a part of the school building. Mrs. Jensen and Mrs. Ewald say they like it this way because it makes the students feel as if they are more apart of the school. It also gives the students access to the library, computers, counselor, principal, and it gives them more time in class instead of on the bus or in a car to get there. We are happy to see the credit recovery program here and are hoping that it will stay here from now on.

**Smile gorgeous!!!** This is what Mrs. Ewald does for the camera while sitting correcting the students papers. It sure looks like she enjoys her job!!

**A good teacher student relationship?!?!?** Does Mrs. Jensen and Loren Young really like each other, or are they just pretending to make us all believe it? You be the judge!

**Caught ya!!!** Just what is David Nowlin doing? Could he be sneaking some food into that mouth of his, or is he just trying to be quicker than our snappy photographer??

**Study, Study, Study!!!** Ashly Lukozyk reads her book, anxiously awaiting what is going to happen. Be careful Ashly, too much studying can hurt the brain!

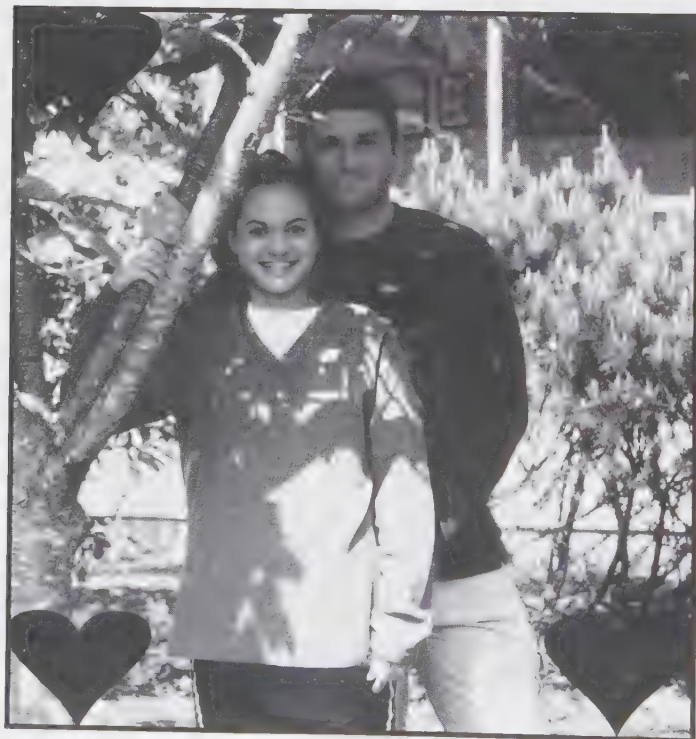

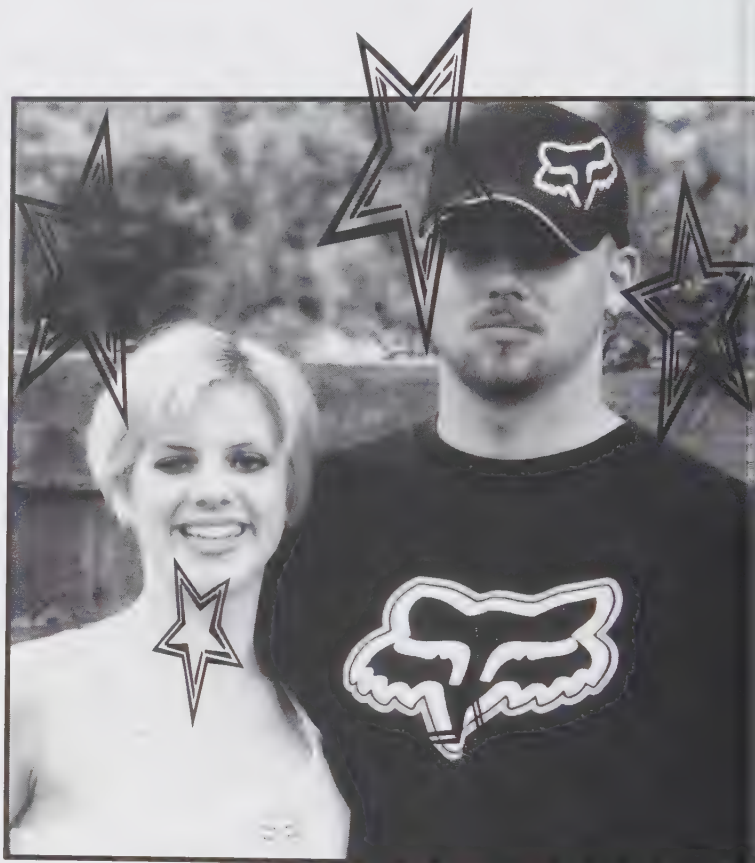

# Love, for all your 2000 parts

"You are my sunshine, my only sunshine. You make me happy when skies are gray." This is how we feel about the person we love. This page was brought back from past yearbooks of Warrenton High School to recognise those who were made for each other and that have been together for quite some time. It will be fun to look back and see if these couples ever marry. Congratulations to those who stay together and we all hope you live happily ever after.

**Everlasting love.** Dulcy Mickelson and Loren Young have been together for three years. They met in junior high and have been going out ever since.

**Tall and taller.** Jarrod Thebiay and Chelsey Bussert squeeze each other tight. They started going out this school year and have been together for seven months.

**Word has it that these two are still together.** Joshua Hollaway and Meredith Claterbos have been together for a year.

**Holding each other close.** Adam Bobek and Richelle Garcia stand together on the senior lawn. These two cuties have been together for three years.

# Grand Theft Auto 2000

Nobody on this page was charged of such things. They were all volunteers for the 1999-2000 Yearbook "Hanging on to 2000 Memories."

Pictures and layout done by Chad Hartley

**Cayben Marshall** is charged with littering and attempted murder. While he was driving down the Youngs Bay Bridge his truck fell apart and caused 6 car pile up and caused a five mile traffic jam that lasted for more than 8 hours.

**Dee Dee Arnall** is charged with attempted manslaughter in the first degree while trying to kill her brother, **George Arnall**.

**Chad Hartley** is charged with a cruising violation, and passengers jumping in and out of his car while the vehicle was moving.

**Dionne Neahrng** is charged with indecent exposure to the public. As soon as she saw the camera she went crazy, and started posing like this. Scary isn't it?

**Doug Stevens** is charged with reckless driving. He thinks that the High School parking lot is a crash course.

*Do your feet hurt?* Casey Murphy and his dates must, why else would they be taking a break from shakin' it out on the dance floor?

*Taking a rest,* Kyle Johnson, Adam Elliott, and Brian Bruney are sitting in style as the night flies by.

*Enjoying their night,* Warren Murphy and Jamie Ellerbroek show off there flashy smiles.

*Could this be Prom revisited?* Mrs. and Mr. Ewald were just two of the great chaperones at the prom.

*Showing off his foxy girl,* Dan Gates smiles proudly with his date Shaena Stabler.

# Take My Breath Away

*Taking a break from their dancing, Princess Peggy Boisvert and her date Leland Billings show some teeth.*

The prom was a total hit this year as it was held in the Astor room at the Red Lion. People were dressed up and looking snazzy as they danced the night away. It was a special night for Tony Coulombe and Dionne Neahrng as they were crowned the King and Queen of the Warrenton Prom 2000. There was a lot of good dancing, but the hit of the night had to be the softball team's dance to the N'Sync song "Bye Bye Bye". It was so good that they did it twice! The theme for the night was "Take My Breath Away" but unfortunately we couldn't play it because we only had the tape, so Dionne and Tony ended up dancing to the song "My Heart Will Go On." It certainly didn't ruin our fun! The night ended as quickly as it started and is now a memory in all of our minds.

*Best Friends, Priscilla Russell and Tenzin Dickey say cheese and take a snazzy picture.*

*The Newly Crowned King and Queen of Prom, Tony Coulombe and Dionne Neahrng enjoy their dance to the song My Heart Will Go On.*

*Sexy Senior Divas, Emily Johnson, Richelle Garcia, Marah Gannaway, and Nikki Haupt strike a pose for one last moment together*

*Could Prom possibly be that traumatizing?*

Maybe Jarrod Thebiay thinks so from the look on his face!

*It's the latin lover!* Jonathan Villareal and his date hold each other close as the night goes on.

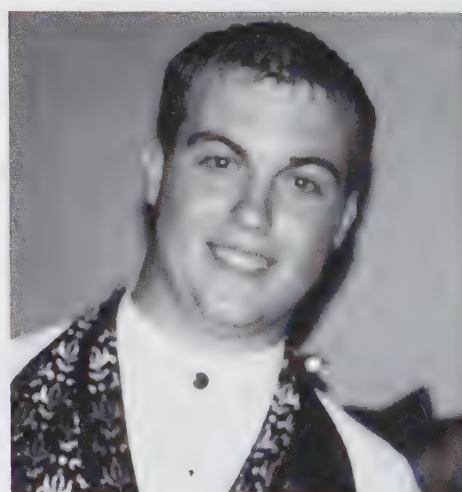

*Taking a break from dancing their hearts out,* sweethearts Jesse Allgeyer and Briita Blair smile for our photographer.

*Swaying softly to the beat,* Candy Burkleo and Billy Ashe dance the night away.

*Accepting her crown and roses,* Nikki Haupt looks excited as she's announced as a 2000 Princess.

*Yeah Baby, you know I'm the man...* Is that what's running through Tony Coulombe's mind as this picture got taken?

*Lady in Red and her man...* D'Ann Thach and Deegem Bernal hold each other close as they show how much they enjoy being together

*Layin' down the smooth moves,* Jennifer Sisley dances the night away during the softball team's dance to "Bye Bye Bye".

*And the 2000 Prom Court is...* Dionne Neahring, Jeremiah Scott, Nikki Haupt, Tony Coulombe, and Peggy Boisvert. Chad Fastelin was also an escort but he was absent that day.

*Taking a break from the dance floor,* Dustin Everson and Larry Hoover sit down and take in the night's activities.

# Senior Skip Day 2000

On Thursday May 4th, 2000 the Senior class boarded the bus for Bullwinkles Family Fun Center. On the bus journey up every one was wild and crazy, excited for the fun just a couple of hours away. They spent the day playing laser tag and arcade games, driving go carts, soaking each other with the bumperboats, playing miniture golf, and most importantly they spent the day together. After a pretty mellow ride home the seniors arrived at school around 4:00p.m. with memories that they will keep in their hearts for the long years ahead.

# GRAD NIGHT PARTY

**About an hour after the ceremony** Roxanne revved up the bus and the Senior class was on there way to a night of excitement. First stop was at the Astoria bowling alley where the pins went a fly'in. Their next stop was at Tongue Point Rec. Center which made the possibilities of having fun seem endless and impossible. Tired and worn out the Senior class headed to the Astoria Aquatic center at 6:00 to enjoy their final hours as a class. Overall this night will not be forgotten, it will be etched on the mind of every Senior in attendance.

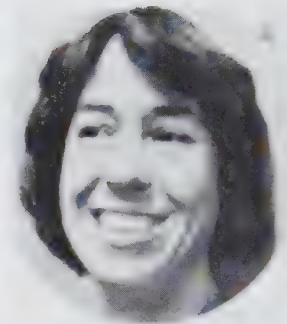

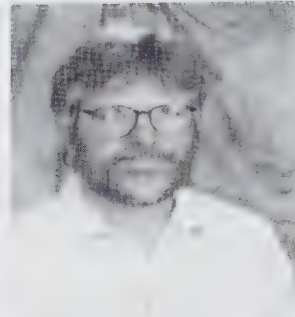

# Teacher Mugs.... Then & Now

# PUTTING THE PIECES

## WEBPAGE AND NEWSPAPER

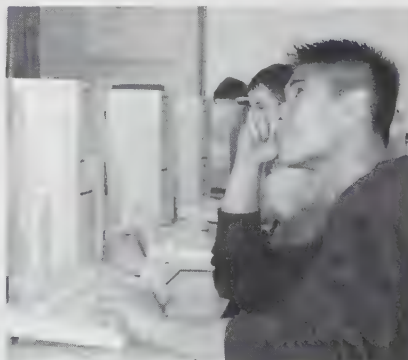

**What is he doing?** Andy Horn and Brad Reef seem to be working, but what is Jared Warner doing? These three gentleman are a big part of both the newspaper and the yearbook.

***Livin la' Vida Loca***, Eric Reinoso, A.K.A. Chief, is listening to his favorite CD Vuelve, music by his latino role model Ricky Martin.

***Working on his series The Faculty***, Brad Reef is big part in the production of the newspaper as he is with the yearbook.

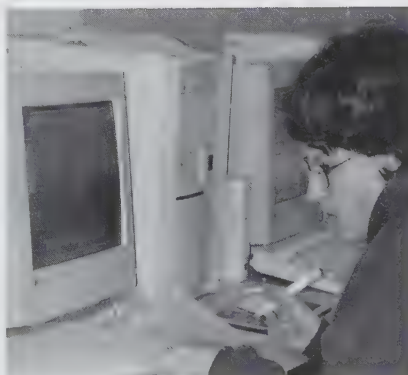

***What to do next????*** Deegem Bernal is an important part of the newspaper as well as the yearbook.

Publishing is a class where the yearbook is created. The yearbook is a big part of the class, but it is not all what the class has to offer. In this class the school's newspaper "The No Name News" is created as well as the school webpage. The class works hard year round to bring you the yearbook that you hold in your hand as of this minute. This class is not easy, we have to work really hard all the time to make the deadlines and to make the grade. Students have many responsibilities, there is a whole range of tasks to be done. There is people that work on the yearbook and on the newspaper at the same time. Publishing is a hard and sometimes draining class, but we get satisfaction at knowing you, right now, are looking at our excellence. We have prevailed.

***Working on the web page***, Dan Ferguson, with a few clicks adds his personal touch to the page. Along with Ben Doney, these are the only two currently working on the webpage.

***Working on yet another newspaper issue***, Peggy Boisvert is the senior editor of the newspaper and is basically responsible for the whole thing.
